About the Conference

The 2021 International Conference on Electronic Materials (2021 IUMRS-ICEM) and the XIX Brazilian Materials Research Society Meeting (XIX B-MRS) will be held **online as a Virtual Conference** from August 30th until September 3rd 2021.

This will be an opportunity to bring together scientists, engineers, and students from academy and industry discussing state-of-the art Materials Science discoveries and perspectives.

We kindly invite you to attend the IUMRS-ICEM and the B-MRS conferences and help keeping our community together and active during these challenging times we are going through.
