The authors regret that the original acknowledgments section did not appropriately recognize the funding sources for this research. The Brazilian Funding Agency, which provided the funding for this research and covered the article's publication costs, needs to be acknowledged.

The correct acknowledgment should read as follows:

“This research was funded by the Coordenação de Aperfeiçoamento de Pessoal de Nível Superior (CAPES-PROEX) and the International Development Research Centre (IDRC) of Canada (Grant No. 109981).”

The authors would like to apologize for any inconvenience caused.
