The authors regret that the denomination of the hybrid rootstock cultivar ‘Rangpur’ lime × ‘Swingle’ citrumelo was mislabeled in the original published paper. The correct denomination of this rootstock is: HRS-827 [‘Rangpur’ lime (*Citrus limonia* Osbeck) × ‘Swingle’ trifoliolate (*Poncirus trifoliata* Raf.)].

In addition, the scientific denomination of the ‘Swingle’ citrumelo should be replaced by (*Citrus paradisi* Macf. × *Poncirus trifoliata* Raf.), as this is the correct order of the crossing parents of this rootstock cultivar.

The authors would like to apologize for any inconvenience this may have caused to the readers of the journal.
