The video player shows a woman, KriSSia Zawadzki, standing at a podium in a lecture hall, speaking into a microphone. A large screen behind her displays the title 'Termodinâmica Quântica' and the subtitle 'Quão longe estamos de construir máquinas térmicas na escala nano?'. The screen also features several small circular icons. The video player interface includes a progress bar at 3:31:47 / 8:51:15 and various control icons.
