Editorial office

Editor-in-chief

B. Jill Venton (</journals-books-databases/about-journals/analytical-methods/editorial-board-members/#ay-venton>),
University of Virginia, USA

Associate editors

Martina Catani (</journals-books-databases/about-journals/analytical-methods/editorial-board-members/#ay-catani>),
University of Ferrara, Italy

Wendell Coltro (</journals-books-databases/about-journals/analytical-methods/editorial-board-members/#ay-coltro>),
Federal University of Goiás, Brazil

Juan F García-Reyes (</journals-books-databases/about-journals/analytical-methods/editorial-board-members/#ay-garcia-reyes>),
University of Jaén, Spain

Tony Killard (</journals-books-databases/about-journals/analytical-methods/editorial-board-members/#ay-killard>),
University of West England, UK

Zhen Liu (</journals-books-databases/about-journals/analytical-methods/editorial-board-members/#ay-liu>),
Nanjing University, China

Matthew Lockett (</journals-books-databases/about-journals/analytical-methods/editorial-board-members/#ay-lockett>),
University of North Carolina at Chapel Hill, USA

Chao Lu (</journals-books-databases/about-journals/analytical-methods/editorial-board-members/#ay-lu>),
Beijing University of Chemical Technology, China

Fiona Regan (</journals-books-databases/about-journals/analytical-methods/editorial-board-members/#ay-regan>),
Dublin City University, Ireland

Article types

Analytical Methods publishes:

- Communications
- Full papers
- Technical notes
- Critical reviews
- Minireviews
